Legenda – Parts List

| Cod.     | Descrizione                        | Description                       |
|----------|------------------------------------|-----------------------------------|
| 1694     | Rivetto                            | Rivet                             |
| 262501   | Distanziale di massa               | Spacer                            |
| 28000010 | Raccordo vapore con filtro         | Steam fitting with filter         |
| 31000020 | Scheda elettronica                 | Electronic board                  |
| 310301   | Contenitore scheda                 | Electronic board container        |
| 310903   | Sonda                              | Probe                             |
| 311102   | Cordone 4 poli                     | 4 poles electric cord             |
| 311400   | Passacavo                          | Fairlead                          |
| 311900   | Passacavo                          | Fairlead                          |
| 350801   | Distanziale                        | Spacer                            |
| 351601   | Termofusibile                      | Thermal fuse                      |
| 3569     | Fascetta                           | Cable tie                         |
| 3570     | Vite                               | Screw                             |
| 3853     | Dado                               | Nut                               |
| 3857     | Rondella                           | Washer                            |
| 4753     | Vite                               | Screw                             |
| 59000056 | Microinterruttore con fili e calza | Microswitch with wires and sheath |
| 59000060 | Manico                             | Handle                            |
| 590301   | Carenatura                         | Iron cover                        |
| 590500   | Nocciolo posteriore                | Rear end                          |
| 590700   | Coperchio posteriore               | Rear cover                        |
| 591000   | Nocciolo anteriore                 | Front end                         |
| 591200   | Contenitore microinterruttore      | Microswitch case                  |
| 591300   | Tasto microinterruttore            | Microswitch button                |
| 591700   | Scudo vapore                       | Heat shield                       |
| 592100   | Collegamento elettrico             | Electric wire                     |
| 592900   | Tappino                            | Cap                               |
| 5951     | Vite                               | Screw                             |
| 5952     | Dado                               | Nut                               |
| 595401   | Morsettiera                        | Terminal block                    |
| 596200   | Coperchio anteriore                | Front cover                       |
| 596901   | Tirante                            | Tie-rod                           |
| 597000   | Supporto manico                    | Handle support                    |
| 597400   | Collegamento elettrico             | Electric wire                     |
| 598100   | Cordone 6 poli                     | 6 poles electric cord             |
| R209     | Dado                               | Nut                               |
| R223     | Vite                               | Screw                             |
| R227     | Fascetta fermacavo                 | Clamp                             |
| R228     | Vite                               | Screw                             |
| R230     | Rondella                           | Washer                            |
| R242     | Gommino passafilo                  | Bushing                           |
| R244     | Dado                               | Nut                               |
| R245     | Tappino                            | Cap                               |
| R248     | Rondella                           | Washer                            |
| R48      | Calza                              | Sheath                            |
| R701     | Piastra                            | Sole plate                        |
| R708     | Vite                               | Screw                             |
| R717     | Collegamento elettrico             | Electric wire                     |
